**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic subscriber and I don't want you to do anything that hurts Sonic services. I have tried comcast because it was cheaper, but it turned out to be the most expensive service of my life because it never worked properly and I spent over 20 hours in the first month with their customer service to try to straighten things out. They were never straightened out.

Sonic is our local provider and they are very good. If the equipment has a fault, I can drive there, pick up a new box, and have it installed in less than an hour. When I call them, I don't have to spend hours waiting for help. They are really very very good. Also, they have very cheap international rates so I can be in touch with family and friends abroad for a price I can afford.

Please don't do anything that hurts Sonic. Really. Please don't.

Sincerely,

Patty Hiller
